Ward Priorities – Sheffield City Council

Closes Wednesday 14 February 2018

We would like to know what people living in Sheffield feel should be the priorities for their ward councillors. Each ward in the city has 3 councillors who work to improve things for local people and represent them when decisions are made in the Town Hall.

If your councillors are better informed about the things that are important to you then they can focus their attention on specific issues in your neighbourhood. The information you provide in this short questionnaire will help them identify the service providers, community organisations and local residents they need to work with. Visit <https://sheffield.citizenspace.com/communities-business-strategy/wardpriorities> for more info and to give your views by Wednesday 14 February 2018, or contact Matthew Rush on matthew.rush@sheffield.gov.uk, 0114 2735708.

Age Hub priorities survey

At the last Age Hub meeting, we discussed potential issues we feel are important for the Hub to look at moving forward. Based on these discussions, we have compiled a short survey (which will take approx. 2-3 minutes to complete). The findings will be used to help us decide the areas we look at over the coming year. Please complete the survey and encourage others you know do so too: www.surveymonkey.co.uk/r/AgeHub.

In this survey, you will be asked to rate a set of issues based on what you feel affects you the most. This survey is confidential and at no point will the answers you give be traced back to you. If you have not heard about the Equality Hub Network and the Age Hub before and decide to leave your details to find out more, these details will be used solely for this purpose. If you require paper versions of this survey, then please get in touch with Emma Hinchliffe on emma.hinchliffe@sheffieldfutures.org.uk, 0114 2016659 or 07772 887629.
