

Feedback from Employment Training in Matlock with Enable Housing Support

“ The people attended and they all agreed they had a great time. A week later when I met up with them they all said how much they had enjoyed it”

“Everyone got something from the event/training. People got good information and there was a lot of energy about taking some next steps to support find out more and get better support to find employment and employment related activity”

“Looking forward to doing some more work with you in the future”
