

The Peter Woodall Sports Award

Each year, the Learning Disabilities Partnership Board gives an award to a person with a learning disability who inspires others with their dedication to sport and activities in Sheffield.

We all know that it is great to get out and about and that being active is really good for us. The Learning Disabilities Partnership Board wants people with learning disabilities to have the same chances to get into sport just like everyone else in Sheffield.

Peter Woodall

This award is named after Peter Woodall who died in 2012 aged 77. Peter was a happy and active man who was keen swimmer. He trained with the Sheffield Otters swimming club and won medals at swimming galas all around the country.

Anyone can nominate someone for this award . . . friends, family, providers and carers.

So, if you know someone who is really sporty, or someone who gets involved and encourages others to get active, please use this form to tell us about it. You might want to ask someone to help you fill in the form – but don't ask the person you are telling us about!

The winner will be decided by a panel which will include someone with a learning disability and a family carer.

The award will be given out at the **Learning Disability Partnership Board meeting on Monday 30 November 2015**. We will send out more details about this soon.

Peter Woodall Sports Award – 2015

Nomination Form

This award is for someone you know who is really sporty and active and who has learning disabilities. They could be someone who plays for a team, who enters races or competitions. Maybe you want to tell us about a person who has encouraged you to get into sport.

Anyone can nominate someone for this award . . . friends, family, providers and carers.

What is the name of person who you think should get an award? (they must be aged over 18?)

What is **their** address and phone number?

Why would you like to nominate this person?

Please give us lots of information about why you are nominating this person. You can write more on extra paper if you run out of space.
