

SPECIAL OLYMPICS
GB NATIONAL GAMES
SHEFFIELD 2017

Thank you for helping us create a giant piece of artwork to celebrate the Special Olympics GB National Summer Games coming to Sheffield!

You are now part of this historic event, and will be part of the #Sheffield17 legacy for many years to come. Would you like to see the complete artwork once all of the pieces have been reunited?

If you would like to see the complete artwork once all of the pieces have been reunited, please come along to the Winter Garden at 5.30pm on Thursday 10 August for a special ceremony in which the Lord Mayor of Sheffield Councillor Anne Murphy and the CEO of Special Olympics GB, Karen Wallin, will reveal the finished piece.

If you know anyone else who would like to help colour in this artwork, please let them know when and where the pieces are located:
