

## UN CRDP Consultation Event

We are holding an event on **ZOOM the 11<sup>th</sup> November between 6-8pm** to explain to you what your rights are under the UN CRDP which is the **United Nations Convention on the Rights of Disabled People** and listen to your views.

The United Kingdom agreed to 'protect and promote' the human rights of disabled people by signing up to the UN CRDP. It also agreed to take part in a review every 4 years so that the United Nations can check whether disabled people's human rights are being upheld.

This is your chance to tell the United Nations what's happening to your rights and what needs to happen next. We want you to take part so that the United Nations hears about what life is really like for disabled people in Yorkshire and Humberside today

This is disabled peoples' report and the more disabled people who contribute to it, the more powerful our voice will be.

### **Nothing about us without us!**
