Free creative workshop for young people  
with a visible difference

Friday 14th June 2019

Changing Faces has teamed up with children's writing and mentoring centre Grimm & Co to offer a truly magical free workshop for young people with a visible difference aged 10 to 14 who live in the Yorkshire and the Humber area.

Our workshop will take attendees on a creative story-making adventure, helping to boost their confidence, self-esteem, and resilience. There will also be chance for young people to explore behind the scenes at the centre's enchanting Apothecary.

During the workshop parents will also have the opportunity to meet each other and enjoy refreshments.
