You can help make care and support better for local children with special educational needs and disabilities.

How?

Work is happening to make care and support better for children and their families.

Come to our event. **Tell us what you think** about the care and support on offer and how it could be better.

We will make sure your views are heard by the people doing the work and deciding what changes to make in Sheffield.

Can't make the event?

Get in touch and arrange to speak to us another day.

We will listen to your views and can offer you information and advice about support options.
