

Older People Engagement Plan Focus Group

Wednesday 23rd January 2019 10:30am - 12:45pm
The Circle, 33 Rockingham Lane, Sheffield S1 4FW

Healthwatch Sheffield is leading on involving patients, their relatives, carers, and the public in the work of the **Accountable Care Partnership (ACP)**. The ACP involves health, social care and community organisations working better together to improve people's health, care and wellbeing.

As part of this work we want to find out about older people's experiences of using health and social care and their views on wellbeing.

This event will bring together people aged 65 and over, their relatives, carers and the public with people who work with and support older people.

We will work together to create an engagement plan to gather the views and experiences of people aged 65 and over, their families and carers.
