

Covid 19 Grab and Go sheet and 'Be Health Aware' sessions

January 2021

Be health aware: *health awareness sessions*

Speakup are working with different organisations to help people know more about their body:

"What is *normal* for me?"

"How do I '*spot things*' that I might need to get checked by a doctor?"

"How do I become aware of things which can mean I can find any issues earlier?"

Covid 19 Grab and Go sheet

Speakup are ALSO raising awareness about the new Covid 19 Grab and Go sheet.

It gives the information doctors and nurses need if you need to go into hospital because of Coronavirus.
