

Are you worried about money?

Struggling to get by or need to shell out for a new fridge or household appliance?
Not able to get help from the banks?

Sheffield Money is a new one-stop money and advice shop. We're not for profit, set up to support your community and are backed by major local organisations.

We're here for you.

Contact us for:

1. Lower cost loans*

We're cheaper than high cost lenders and will lend to you when others won't**. You can also save when making repayments.

3. Current accounts

We'll help you get a current account, even when the banks refuse. We can also help you save money too, from as little as £1 a week.

*Representative APR 12.67%.

APR's range from 12.67% - 89.9% subject to status.

2. White goods and electrical appliances

We give credit* for new appliances from fridges to TVs, all at low costs with quick delivery. Wide range of products to choose from.

4. Money and debt advice

We're supported by The Money Advice Service and Sheffield Citizens Advice who provide independent money and debt advice.

** We match people to the best available loans depending on their circumstances from a range of providers. We work with responsible lenders and credit unions.
