BOCCIA CLUB

- Boccia is a Paralympic sport similar to indoor bowls and it's probably the most inclusive sport in the world!
- Boccia can be played by everyone, regardless of ability or disability. This session has a specific focus for children with cerebral palsy and related motor conditions.
- Our experienced and knowledgeable Boccia coaches will support you to achieve your own goals, whether that be simply to get more active or to refine your skills.
- Siblings and friends are more than welcome!
