

Would you like to find out more about a new group for patients, carers and the public?

Want to be involved in making HEALTH & SOCIAL CARE SERVICES work better for people in Sheffield?

### Find out more

Before you decide whether to join the group, please come along to **one** of our information sessions on either:

- **Thursday 10<sup>th</sup> January 10am - 1pm or 5:30pm - 7:30pm**
- **Monday 14<sup>th</sup> January 1pm - 4pm**  
(We will provide food and drinks)

**Venue:** The Circle, 33 Rockingham Lane, Sheffield, S1 4FW.

### What will the group do?

We will meet every month at The Circle in the city centre.

The group will discuss and influence plans to improve health and social care services and the health of local people. This will be an important part of the work in the **Accountable Care Partnership (ACP)**, which involves health, social care and community organisations working better together to improve people's health and care.

**Healthwatch Sheffield** is leading on involving patients, their relatives, carers and the public in the work of the ACP.

### Do I need any qualifications?

No. We value your lived experiences and opinions as a patient, carer or member of the public.

Young people and adults of all ages are welcome.

We expect that being a member of the group will take up around 4 hours of your time every month.

### Will I be paid?

Although we won't pay you for your time, we will provide refreshments at our meetings and we will reimburse your expenses (travel /PA/childcare costs).
