do something...

Join us on a gentle walk, get skills employers want, receive help into training and enjoy being active with a real purpose. We will meet you at a local venue where our friendly & approachable staff will walk with you to different workplaces or training providers where you will be able to:

- Gain valuable insight into the types of roles held within different businesses and organisations
- Get hints and tips from local employers/training providers to make you more employable
- Develop and enhance your skills and experiences – great for your CV or application form
- Receive a free one day travel pass for buses, trams and trains to help you attend
- Get access to free training courses
- Attend a celebration event at the end of your journey with us to celebrate your achievements

Anyone gaining employment as a result of Walking for Purpose will get a free one month travel pass!

So get involved and call us today!
