

You're invited!

We're getting together to have fun and we want you to join us.

We are meeting to learn what our ideas of a perfect life looks like.

We're going to share our ideas by making art, writing stories or creating drama.

Chance to choose is the name of this exciting project.

If you want to be involved and you have a learning disability or Autism

contact us at:

info@disabilitysheffield.org.uk or
phone 01142536750

Chance to choose

Notes for providers

Chance to choose is the name of our exciting new project commissioned by Sheffield City Council to co-produce the new 'Working Age Adults Framework' for people with learning disabilities and Autism.

Disability Sheffield and Healthwatch Sheffield have come together to support Sheffield Voices to co-produce the new framework.

Sheffield Voices will work with you in a creative way.

They have a team of drama experts, artists, and writers who will run sessions for the people you support.

They will use creative activities to explore new ideas for how services could look in the future.

The services we are focusing on are, supported living services, day opportunities, and respite care.
